Peer Support Specialist

Description

The primary purpose and responsibility of Peer Specialists is to help service recipients understand recovery and achieve their own recovery needs, wants, and goals. Lifecore Peer Support Specialists offer a unique and important role in the Mental Health Recovery Process. They are professionals and work from a person-centered, strength-based perspective and embody the belief that recovery is possible. Peer Support specialists provide the uniquely targeted insight into certain aspects of mental health that only someone who has “been there” can formulate and convey.

Responsibilities

- Provide an atmosphere of recovery that is “more real.”
- Provide services on an individual or group basis and in various environments which may include Psychosocial Rehabilitation, Chemical Dependency Services, individual’s home, social environments, and other environments deemed pertinent to the service delivery.
- Provide interventions that are person-centered, strength based, and recovery oriented.
- Other duties as assigned

Qualifications

- Department of Mental Health Peer Support Specialist Certification
- Meet requirements for continuation of certification.
- Interpersonal skills necessary to establish professional relationships with clients and staff
- Ability to be tolerant of deficient home environments or individuals with deficient hygiene
- Ability to assess safety and/or unsafe environments

Job Benefits

- PTO for personal needs and sick leave
- Military leave
- Health Savings Account
- Health Insurance
- Life Insurance
- PERS Retirement
- Ten Paid Holidays
- Voluntary Supplemental Policies
- ETC.
